Chewifoot International

Welcomes you!!

Heartbreaking facts about Haiti

According to the most recent census conducted in 2013, Haiti population is 10, 987, 357 living souls, of which 38.7% are children age 0-14.

Of that 38.7%, more than half are delinquent, that is a little bit under 2 million children wonder the streets, no access to education and no guidance.

2 MILLION Children!!!!

Juvenile delinquency in Haiti Is at an all time high!

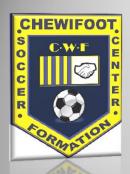

It is all about giving them hope, opportunity and a chance at a brighter future

MISSION

Use the sport as an educational tool aimed to the professional formation of the athlete

OBJECTIVE

Develop a state of mind based on the willingness to move forward and to favor the evolution of the kids

VISION

See our kids become all they can be and play overseas in high rank soccer teams (such as Barca, Chelsea, Milan, Borussia Dortmund, etc)

By December 2013,

Chewifoot Ecole de Football, in Les Cayes, Haiti
had welcomed more than 100 kids

Aiming to train, transform, empower and help them grow in a healthy and fit environment

Our training Camp Chewifoot Ecole de Football

Training

On the Soccer Field

Les Cayes, Haiti

Our Children Health Clinic at Chewifoot Ecole de Football

"Healthy Children make strong athletes"

Children are checked regularly and our doctor ensures readiness for physical activities and football training

Looking into the future Our vision for Chewifoot Ecole de Football

Well-equipped athletic facilities, top of the line soccer fields, academic working stations, dorms, nutrition centers only name a few.

Coming together is a beginning; keepingtogether is progress; working together is success. ~

Chewifoot International needs you!

The Children need YOU!
